<sup>1</sup>UCR Part II Sex Offenses are not available from 10/10/15 through 12/31/15.

<sup>2</sup>UCR Part II Sex Offenses include sex with a minor and molestation.

<sup>3</sup>Domestic Violence refers to incidents in which the domestic violence flag was marked "Y" as identified by the officer at the scene and includes all reported crime types, including crime counts from the above list.

<sup>4</sup>Bias Crimes includes crime counts from the above list in addition to larceny/theft, simple assault, intimidation/threats, and criminal damage/vandalism. These incidents were identified and/or marked as a bias crime incident by the Bias Crimes Detail.

Incident reports still pending entry into the RMS system will not be included. Counts may change as additional reports are approved and/or reclassified. Any reports with missing or incomplete information may not be properly depicted in this report. Implementation of a new Records Management System (RMS) occurred October 10, 2015; use caution when comparing totals across years. This report is based on Uniform Crime Reporting (UCR) criteria which are not equivalent to Arizona Revised Statutes (ARS) statistics and therefore this data cannot be directly compared to ARS reports. Under the hierarchy rule of UCR, only the most severe offense of an incident is counted. Aggravated assaults are counted by victim. Numbers may differ from other published reports due to case updates/reclassifications and/or to differences associated with unfounded incidents. UCR data excludes unfounded cases if the incident and the unfound occurred in the same month. However, if the incident and the unfound occurred in different months, then the removal of the unfounded cases will not be reflected in the data. Apartment numbers, unit numbers, or suite numbers are not always entered in the data. Therefore, this report reflects counts based on address information without specifying apartment/unit/suite numbers. This means that any incident at the same street address would be included in the count regardless of the apartment/unit/suite number. Beginning January 2014, the UCR Rape category now includes the new FBI rape definition. Therefore, caution should be given when comparing across years.

The School Administration encourages anyone who is the victim or witness to any crime to promptly report the incident to the police. Because police reports are public records under state law, the School Administration cannot hold reports of crime in confidence.

All reports will be investigated. Violations of the law will be referred to law enforcement agencies and when appropriate, to the School Disciplinary Committee for review. When a potentially dangerous threat to the School community arises, timely reports or warnings will be issued as described above.

### **Confidential Reporting Procedures**

If you are the victim of a crime and do not want to pursue action within the School or the criminal justice system, you may still want to consider making a confidential report. With your permission, the Local Police Department can file a report on the details of the incident without revealing your identity. The purpose of a confidential report is to comply with your wish to keep the matter confidential, while taking steps to ensure the future safety of yourself and others. With such information, the School can keep an accurate record of the number of incidents involving students, determine where there is a pattern of crime with regard to a particular location, method, or assailant, and alert the campus community to potential danger. Reports filed in this manner are counted and disclosed in the annual crimes statistics for the school.

## **II. Access Policy**

During business hours, the School will be open to students, parents, employees, contractors, guests, and invitees. During non-business hours access to all School facilities is by key, if issued, or by admittance via School Administration. In the case of periods of extended closure, the School will admit only those with prior written approval.

### **III. Policies Concerning Campus Law Enforcement**

Campus law enforcement is conducted by local law enforcement agencies.

Students or employees who witness or are involved in any kind of criminal action or emergency and do not report the crime or emergency promptly may be subject to termination from enrollment or employment.

### **IV. Security Awareness and Crime Prevention Programs**

During orientation personal safety, crime prevention and facility security are outlined. Students are told about crime on-campus and in surrounding areas. Similar information is presented to new employees.

A common theme of all awareness and crime prevention programs is to encourage students and employees to be aware of their responsibility for their own security and the security of others.

In addition to seminars, information is disseminated to students and employees through crime prevention awareness packets as appropriate.

When time is of the essence, information is released to the School community through security alerts as indicated above.

***Tip:** To enhance personal safety, and especially after an evening class, walk with friends or someone from class that you know well, or call the Eagle Patrol Services for an escort.*

### **V. Crime Prevention**

An orientation is held with new students and employees that, among other things, serves to inform them about strategies for crime prevention.

### **VI. Off Campus Student Organizations – Reporting of Criminal Activity**

The Studio Academy of Beauty does not sanction or support any off campus student organizations.

### **VII. Sex Offender Registration**

In accordance to the "Campus Sex Crimes Prevention Act" of 2000, which amends the Jacob Wetterling Crimes Against Children and Sexually Violent Offender Registration Act, the Jeanne Clery Act and the Family Educational Rights and Privacy Act of 1974, the School is providing a link to the AZ Sex Offender Information website. This act requires institutions of higher education to issue a statement advising the campus community where law enforcement information provided by a State concerning registered sex offenders may be obtained. It also requires sex offenders already required to register in a State to provide notice of each institution of higher education in that State at which the person is employed, carries a vocation, or is a student.

The Arizona Department of Public Safety is responsible for maintaining this information. Follow the link below to access the AZ Sex Offender Information website.

## CAMPUS SEXUAL MISCONDUCT POLICIES

### 1. Introduction

The Studio Academy of Beauty is committed to providing an environment for all students, faculty and staff that is free from sex discrimination, including sexual misconduct.

### 2. Scope of the Policy

This Policy governs sexual misconduct involving students that occurs on any Studio Academy of Beauty property or in connection with any school-sponsored program or event. This Policy applies to all students, employees, and third parties conducting business with The Studio Academy of Beauty, regardless of the person's gender, gender identity, sexual orientation, age, race, nationality, class status, ability, religion or other protected status.

### 3. Prohibited Conduct

Sexual misconduct comprises a broad range of behaviors focused on sex that may or may not be sexual in nature. Any intercourse or other intentional sexual touching or activity without the other person's consent is sexual assault, which is a form of sexual misconduct under this Policy. Sexual harassment and sexual exploitation, stalking, domestic violence, and dating violence are also forms of sexual misconduct. Intimidation for one of these purposes is sexual misconduct, as is retaliation following an incident of alleged sexual misconduct or attempted sexual misconduct. The definitions for specific acts of sexual misconduct can be found in the Definitions of Key Terms at the end of this Policy statement.

Misconduct can occur between strangers or acquaintances, or people who know each other well, including between people involved in an intimate or sexual relationship, can be committed by anyone regardless of gender identity, and can occur between people of the same or different sex or gender. **This Policy prohibits all forms of sexual misconduct.**

### 4. Options for Assistance Following an Incident of Sexual Misconduct

The Studio Academy of Beauty strongly encourages any victim of sexual misconduct to seek immediate assistance. Seeking prompt assistance may be important to ensure a victim's physical safety or to obtain medical care. The Studio Academy of Beauty strongly advocates that a victim of sexual assault report the incident in a timely manner. Time is a critical factor for evidence collection and preservation.

#### Reporting Incidents of Sexual Misconduct

Victims of sexual misconduct may file a report with the Local Police Department. Victims may also file a report with the Title IX Coordinator for their respective campus. More information about reporting an incident of sexual misconduct can be found in Section 6 of this Policy, below.

The victim of the sexual assault may choose to have the investigation pursued by the criminal justice system and The Studio Academy of Beauty's disciplinary procedures. The school and the criminal justice system work independently from each other. Law enforcement officers do not determine whether a violation of this Policy has occurred. The campus Title IX Coordinator will guide the victim through the available options and support the victim in his or her decision.

#### Support Services Available

Counseling, advocacy and support services are available for victims of sexual misconduct, whether or not a victim chooses to make an official report or participate in the school's disciplinary or criminal process. The Studio Academy of Beauty does not provide counseling or health care services. Personal

counseling offered by The Studio Academy of Beauty will be limited to initial crisis assessment and referral.

### 6. Reporting Policies and Protocols

The Studio Academy of Beauty strongly encourages all members of the school community to report information about any incident of sexual misconduct as soon as possible, whether the incident occurred on or off campus.

#### **Reporting to the Institute**

An incident of sexual misconduct may be reported directly to the campus Title IX Coordinator. If the campus Title IX Coordinator is the alleged perpetrator of the sexual misconduct, the report should be submitted to The Studio Academy of Beauty President. Filing a report with a school official will not obligate the victim to prosecute, nor will it subject the victim to scrutiny or judgment from officers.

An individual who has experienced an incident of sexual misconduct may report the incident at any time, regardless of how much time has elapsed since the incident occurred. The Studio Academy of

Beauty will respond to all reports in a manner that treats each individual with dignity and respect and will take prompt responsive action to end any misconduct, prevent its recurrence, and address its effects.

### **Reporting to Law Enforcement**

An incident of sexual misconduct can be reported to law enforcement at any time, by calling 911. At the complainant's request, The Studio Academy of Beauty will assist the complainant in contacting law enforcement. If the complainant decides to pursue the criminal process, the school will cooperate with law enforcement agencies to the extent permitted by law. Filing a police report will:

- > Ensure that a victim of sexual assault receives the necessary medical treatment and tests
- > Provide the opportunity for collection of evidence helpful in prosecution, which cannot be obtained later (ideally a victim of sexual assault should not wash, douche, use the toilet, or change clothing prior to a medical/legal exam)
- > Assure the victim has a referral to confidential counseling from counselors specifically trained in the area of sexual assault

### **Definitions of Key Terms**

Sexual harassment and sexual exploitation, stalking, domestic violence, and dating violence are also forms of sexual misconduct. Intimidation for one of these purposes is sexual misconduct, as is retaliation following an incident of alleged sexual misconduct or attempted sexual misconduct.

**Dating Violence:** "Violence committed by a person who is or has been in a social relationship of a romantic or intimate nature with the victim.

- (i) The existence of such a relationship shall be determined based on the reporting party's statement and with consideration of the length of the relationship, the type of relationship, and the frequency of interaction between the persons involved in the relationship.
- (ii) For the purposes of this definition—
  - (A) Dating violence includes, but is not limited to, sexual or physical abuse or the threat of such abuse.
  - (B) Dating violence does not include acts covered under the definition of domestic violence."

Any incident meeting this definition is considered a crime for the purposes of Clery Act reporting. It is also a violation of The Studio Academy of Beauty policy and is prohibited.

**Domestic Violence:** "A felony or misdemeanor crime of violence committed—

- (A) By a current or former spouse or intimate partner of the victim;
- (B) By a person with whom the victim shares a child in common;
- (C) By a person who is cohabiting with, or has cohabited with, the victim as a spouse or intimate partner;
- (D) By a person similarly situated to a spouse of the victim under the domestic or family violence laws of the jurisdiction in which the crime of violence occurred; or
- (E) By any other person against an adult or youth victim who is protected from that person's acts under the domestic or family violence laws of the jurisdiction in which the crime of violence occurred."

Any incident meeting this definition is considered a crime for the purposes of Clery Act reporting. It is also a violation of The Studio Academy of Beauty policy and is prohibited.

Examples of domestic violence and dating violence behaviors or activities directed against a family member, a household member, or a person one is dating or has dated include, but are not limited to: (1) violence or threats of violence (even in the absence of bodily injury); (2) negligent or reckless use of physical force; (3) conduct that may reasonably be expected to exploit or coerce another; (4) restraint; (5) prevention of another's ability to communicate or move freely by the use of threats, intimidation, abuse or physical force; (6) unauthorized entry and, specifically, uninvited threatening presence in another's room or office; and (7) other conduct intended to intimidate, manipulate, humiliate, terrorize, or isolate the other person. Domestic violence and dating violence can be a single act or a pattern of behavior in a relationship. Engaging in such behaviors or activities is a violation of The Studio Academy of Beauty policy and is prohibited.

**Sexual Assault:** "An offense that meets the definition of rape, fondling, incest, or statutory rape as used in the FBI's UCR program[.]" The Federal Bureau of Investigation's Uniform Crime Reporting Program defines these offenses as follows:

**Rape:** "The penetration, no matter how slight, of the vagina or anus with any body part or object, or oral penetration by a sex organ of another person, without the consent of the victim."

**Sex Offenses:** "Any sexual act directed against another person, without the consent of the victim, including instances where the victim is incapable of giving consent.

A. Fondling—The touching of the private body parts of another person for the purpose of sexual gratification, without the consent of the victim, including instances where the victim is incapable of giving consent because of his/her age or because of his/her temporary or permanent mental incapacity.

B. Incest—Sexual intercourse between persons who are related to each other within the degrees wherein marriage is prohibited by law.

C. Statutory Rape—Sexual intercourse with a person who is under the statutory age of consent."

Sexual assault can be committed by any person against another person, regardless of gender, gender identity, sexual orientation, or past or current relationship status. Sexual assault may occur with or without physical resistance or violence.

Any incident meeting one or more of these definitions is considered a crime for the purposes of Clery Act reporting. It is also a violation of The Studio Academy of Beauty policy and is prohibited.

**Stalking:** "(i) Engaging in a course of conduct directed at a specific person that would cause a reasonable person to—

(A) Fear for the person's safety or the safety of others; or

(B) Suffer substantial emotional distress.

(ii) For purposes of this definition—

(A) Course of conduct means two or more acts, including, but not limited to, acts in which the stalker directly, indirectly, or through third parties, by any action, method, device, or means, follows, monitors, observes, surveils, threatens, or communicates to or about a person, or interferes with a person's property.

(B) Reasonable person means a reasonable person under similar circumstances and with similar identities to the victim.

(C) Substantial emotional distress means significant mental suffering or anguish that may, but does not necessarily, require medical or other professional treatment or counseling."7

Any incident meeting this definition is considered a crime for the purposes of Clery Act reporting. It is also a violation of The Studio Academy of Beauty policy and is prohibited. Examples of stalking behaviors or activities, when conducted in connection with the above definition, include, but are not limited to: (1) non-consensual communication, including face-to-face communication, telephone calls, voice messages, e-mails, text messages, written letters, gifts, or any other communications that are unwelcome; (2) use of online, electronic or digital technologies, such as posting pictures or text in chat rooms or on websites, sending unwanted or unsolicited e-mail or talk requests, posting private or public messages on Internet sites, social networks, and/or school bulletin boards, installing spyware on a person's computer, or using Global Positioning Systems (GPS) or similar technology to monitor a person; (3) pursuing, following, waiting for, or showing up uninvited at or near a residence, workplace, classroom, or other places frequented by the person; (4) surveillance or other types of observation, including staring and voyeurism; (5) trespassing; (6) vandalism; (7) non-consensual touching; (8) direct verbal or physical threats against a person or a person's family member, pet or personal property; (9) gathering information about a person from friends, family, or co-workers; (10) accessing private information through unauthorized means; (11) threats to harm self or others; (12) defamation and/or lying to others about the person; and (13) using a third party or parties to accomplish any of the above. Engaging in such stalking behaviors or activities is a violation of The Studio Academy of Beauty policy and is prohibited.

**Coercion:** The act of compelling or forcing someone to act based on pressure, harassment, threats, or intimidation.

**Consent:** For purposes of this policy, effective consent means words or actions that demonstrate to a reasonable person a knowing and voluntary agreement to engage in mutually agreed-upon sexual activity. Effective consent cannot be gained by threat, force, coercion or intimidation or by ignoring words or actions that indicate a lack of consent or objection to the activity. Consent to one form of sexual activity does not imply consent to other forms of sexual activity. Consent can be rescinded at any time. It is the responsibility of the person who wants to engage in the sexual activity to ensure that he or she has effective consent from any other person involved. Silence, lack of protest, or lack of resistance are not sufficient standing alone to establish consent. The actions of the individuals involved and the context in which those actions occurred will be considered in determining whether or not there was consent. The existence of a dating relationship or a past sexual relationship between the persons involved is not a sufficient basis to assume consent. Past consent between two individuals does not imply present or future consent to sexual activity.

Consent is not valid when a person is incapable of giving consent: (1) due to the person's use or consumption of drugs or alcohol; (2) when intimidation, threats, physical force, or other actions that are coercive are applied; (3) when a physical or mental condition is present such that the person cannot knowingly or voluntarily give consent; or (4) when a person is under the age of 16.

Alcohol-related incapacity results from a level of alcohol ingestion that is more severe than mere impairment, being under the influence, drunkenness or intoxication. Consumption of alcohol or other drugs alone is insufficient to establish incapacitation. The question of incapacitation is determined on a case-by-case basis using both objective and subjective standards and includes an analysis of the objective behaviors of the person alleging sexual misconduct and whether the accused person knew or reasonably should have known that the person was incapacitated, or if the accused person played a role in creating the circumstances of incapacity. Whether the

accused person knew or reasonably should have known the other person was incapacitated will be assessed in light of all relevant circumstances. Objective physical indications of incapacity include slurred speech, difficulty walking or standing, vomiting, and losing consciousness.

The use of alcohol or other drugs does not make a victim at fault for sexual misconduct. The use of alcohol or other drugs does not minimize or excuse a person's responsibility for committing sexual misconduct. Nor does the use of alcohol or other drugs minimize or excuse a person's responsibility for determining whether another person is capable of giving consent, as described above.

**Retaliation:** Retaliation against any person for reporting, supporting a victim, or providing information in connection with a complaint of sexual misconduct, domestic violence, dating violence, and stalking includes, but is not limited to: (1) pressuring a person to drop or not support a complaint; (2) encouraging a person to provide false and misleading information; (3) engaging in conduct that may reasonably be perceived to affect adversely that person's educational, living or work environment; (4) threatening, intimidating or coercing the person; or (5) otherwise discriminating against any person for exercising their rights and responsibilities under this policy. Depending on the particular circumstances, retaliation may also be unlawful.

Retaliation as defined here violates The Studio Academy of Beauty policy and is prohibited.

**Sexual Misconduct:** Any non-consensual act of a sexual nature, which may or may not involve physical contact. Sexual misconduct may vary in severity and includes a range of behaviors and attempted behaviors, including, but not limited to sexual harassment as defined in Policy 311, Non-Discrimination and Prevention of Harassment and Related Unprofessional Conduct.

Sexual misconduct includes sexual assault (as defined above) and also includes unwelcome sexual conduct that does not constitute sexual assault but is sexually violating in nature, such as nonconsensual physical contact of a sexual nature including, but not limited to, intentional contact of a sexual nature with the breasts, buttocks, groin, or mouth or contact of a sexual nature with any other body parts.

Sexual misconduct also includes sexually exploitative behavior and attempted sexually exploitative behavior. Examples of sexually exploitative behavior include, but are not limited to: (1) prostituting another person; (2) recording or capturing (through any means) images or audio of another person's sexual activity, intimate body parts, or nudity without that person's consent, and/or sharing this material without the other person's consent; (3) viewing or allowing or aiding others to view another person's sexual activity, intimate body parts, or nudity without the person's consent; and (4) sexual exhibitionism or exposure of one's genitalia in the presence of others without their consent.

**Exception:** The The Studio Academy of Beauty's prohibition of sexual exploitation is not intended to prohibit the use of sexually-explicit materials that are reasonably related to the The Studio Academy of Beauty's academic mission. Specifically, this section is not intended to proscribe or inhibit the use of sexually-explicit materials, in or out of the classroom, when in the judgment of a reasonable person the use of such materials appropriately promote genuine discourse, inquiry and learning.

Sexual misconduct as defined here violates The Studio Academy of Beauty policy and is prohibited.

## GENERAL CRIME AND SECURITY PROCEDURES

### Timely Warnings

In the event that a situation arises, that, in the judgment of the School Administration, constitutes an ongoing or continuing threat, a campus wide “timely warning” will be issued. The warning will be issued verbally and/or in writing during theory class.

Depending on the particular circumstances of the crime, especially in all situations that could pose an immediate threat to the community and individuals, the School Administration may provide those present with more immediate notification. Anyone with information warranting a timely warning should report the circumstances to the School Administration, by phone (480 857-1138) or in person to a School administrator.

### Policy For Reporting The Annual Disclosure of Crime Statistics

The School Administration prepares this report to comply with the Jeanne Clery Disclosure of Campus Security Policy and Crime Statistics Act. The full text of this report is available from any member of the School administrative staff. This report is prepared in cooperation with the local law enforcement agencies surrounding our campus.

Campus crime, arrest and referral statistics include those reported to School Administration and local law enforcement agencies.

Each year, a notification is made to all enrolled students and employees that indicates how to obtain a copy of this report. Faculty and staff receive similar notification. All prospective employees may obtain a copy from a School administrator or by calling (480) 857-1138 – CHANDLER, (602) 841-5993 PHOENIX, (623) 225-9563 - TOLLESON.

Any suspicious activity or person seen in the parking lots or loitering around vehicles or inside the building should be reported to the Local Police department. In addition you may report a crime to the following School Administrators:

1. School Director	480-857-1138 ext. 101	CHANDLER

	623-225-9563 ext. 106	TOLLESON

The School Administration encourages anyone who is the victim or witness to any crime to promptly report the incident to the police. Because police reports are public records under state law, the School Administration cannot hold reports of crime in confidence.

All reports will be investigated. Violations of the law will be referred to law enforcement agencies and when appropriate, to the School Disciplinary Committee for review. When a potentially dangerous threat to the School community arises, timely reports or warnings will be issued as described above.

### **Confidential Reporting Procedures**

If you are the victim of a crime and do not want to pursue action within the School or the criminal justice system, you may still want to consider making a confidential report. With your permission, the local Police Department can file a report on the details of the incident without revealing your identity. The purpose of a confidential report is to comply with your wish to keep the matter confidential, while taking steps to ensure the future safety of yourself and others. With such information, the School can keep an accurate record of the number of incidents involving students, determine where there is a pattern of crime with regard to a particular location, method, or assailant, and alert the campus community to potential danger. Reports filed in this manner are counted and disclosed in the annual crimes statistics for the school.

### **Access Policy**

During business hours, the School will be open to students, parents, employees, contractors, guests, and invitees. During non-business hours access to all School facilities is by key, if issued, or by admittance via School Administration. In the case of periods of extended closure, the School will admit only those with prior written approval.

### **Missing Person Notification Policy**

The Studio Academy of Beauty does not offer housing options for students and as such has no reliable means to determine if students are absent by choice or other circumstance.

The Studio Academy of Beauty does, as a matter of policy, reach out to students who are absent via phone, text and other electronic means of communication provided by the student during enrollment at the school. When we are unable to reach an absent student for more than 24 hours, we generally take no action with local authorities unless, in the judgment of a school administrator, foul play is suspected. If foul play is suspected, the school will contact the local authorities to report the circumstances surrounding the student's absence and support any subsequent investigation by the local authorities. If the school contacts local authorities regarding a student under the age of 18 and not imancipated, the school will contact their designated parent/guardian within 24 hours.
